EXPERIENCE

Site Engineer

Seba Construction 01/2024 - 12/2024 Istanbul, Turkey

- Worked as a **site engineer** in a **large-scale residential project consisting of 37 blocks and 2 parking structures**.
- Managed **daily site coordination, work schedule tracking, and subcontractor supervision**, ensuring timely and high-quality project execution.
- Actively involved in **reinforced concrete works, finishing operations, and infrastructure construction** while overseeing subcontractor teams.
- Implemented **material and labor optimization strategies** to enhance efficiency and cost-effectiveness on site.

Intern

Seba Construction 01/2017 - 12/2017 Istanbul, Turkey

- Completed an internship in a **modern residential project featuring two main blocks and a shared pool**.
- Gained hands-on experience in **structural and architectural applications**, closely monitoring **site processes and quality control stages**.
- Assisted in **progress payments, quantity surveying, and cost estimation**, acquiring insights into both the financial and technical aspects of site management.

Intern

Bakiz Construction 01/2020 - 12/2020 Trabzon, Turkey

- Interned in a **highway construction project involving bored piles and retaining walls**.
- Observed **ground improvement, deep excavation, foundation engineering, and reinforced concrete structures** on-site.
- Worked closely with the site team, gaining experience in **construction logistics and project scheduling**.

EDUCATION

Civil Engineering

Faculty of Engineering 09/2016 - 02/2021 Kocaeli, Turkey

- Kocaeli University
- Kocaeli, Turkey

SKILLS

Autocad ETABS Excel Jira Primavera Python
Scilab Sap2000

SUMMARY

After completing my civil engineering degree, I set my sights on building a career in **construction management**. Managing projects from planning to delivery, coordinating teams, and finding quick solutions to on-site challenges is not just a job for me—it's something I'm truly passionate about. Throughout my education and internships, I developed a strong interest in **project management, scheduling, site coordination, and material management**. Being on-site allowed me to observe every stage of the process firsthand, helping me bridge the gap between theory and practice. I am also continuously learning **Primavera P6, and MS Project** because I understand the importance of staying up to date in this field. I take pride in my communication skills and ability to work well in a team. I enjoy problem-solving, organizing tasks, and collaborating to achieve a common goal. While I may be a recent graduate, I am **eager to learn, take on responsibilities, and give my best effort** in everything I do. I would love the opportunity to be part of your team and contribute to your projects.

KEY ACHIEVEMENTS

- Project Completion Success**
Oversaw construction of 37 villas, achieving 100% on-time completion.
- Efficiency Improvement**
Coordinated bored piles project, improving efficiency by 20% over expected timeline.
- Cost Reduction Achievement**
Contributed to construction, resulting in 15% cost savings.
- Productivity Enhancement**
Assisted in highway construction, enhancing work productivity by 25%.
