

Boopathi Kumar

Associate HR Recruiter

PROFILE SUMMARY

An Human resources recruiter with a strong foundation in Power BI, I had skills excel to extracting, analyzing, and visualizing data to uncover actionable insights. And I have experience in the end to end recruitment process. I have conducted more than 500 interviews online and hired more than 200 candidates for my organisation. Known for my clear communication skills, I specialize in translating complex data findings into strategic business recommendations. Eager to contribute my analytical expertise to drive organizational success.
