# ABOUT ME

Hello my name is Shivam Rathi, I am a Interior Designer based Pune-India.

From the young age, I was fascinated by the art of designing interiors and spaces that create a sense of beauty and harmony.

---

Over the years, I have honed my skills and expanded my knowledge to create interior that are not only visually stunning but also practical and comfortable.

As a designer I have been in charge of creating high visual impact solutions. On a daily basis I would sit down with clients and assess their requirements, provide quotes, present concepts to clients, using specialized computer software and making drawings/sketches to client and can manage the whole project.
