Objective

As a highly skilled and experienced Furniture Designer, I am dedicated to consistently achieving high levels of individual and corporate customer satisfaction. With my strong expertise in working with diverse wood and furnishing materials, I confidently excel in managing multiple projects simultaneously.

My Key Skills:

- Proficiency in design principles, including graphic design, user experience design, and product design.
- Advanced critical thinking and reasoning skills, with the ability to analyze complex problems and evaluate multiple solutions.
- Demonstrated history of innovative thinking and the ability to introduce novel approaches to tasks and projects.
- Meticulous attention to detail and a consistent commitment to thoroughness in all aspects of work.
- Proficiency in manual dexterity and the ability to effectively manipulate tools and materials.
- Advanced analytical thinking skills and the capacity to dissect and solve intricate technical challenges.
- Deep knowledge of engineering science and technology, coupled with a comprehensive understanding of industry best practices and emerging trends.
- Exceptional persistence and determination in pursuing goals and overcoming obstacles.
- Proficiency in utilizing computer systems and a wide array of software packages, including expertise in industry-standard applications.
- Experienced with AutoCAD 2008-2021, UcanCam 10, Art Cam 2018, Adobe Illustrator CS6.
- Proficient with Windows: MS Word, MS Excel, MS Outlook, MS power point, Photoshop
- Currently Working on AutoCAD 2021, Google Sketch up 2024, Adobe Illustrator CS6, Adobe Photoshop 2018.
