## Professional Experience

### Sr. IT Recruiter – Sumed Technologies (Client: UST Global)

Hyderabad, India | Aug 2023 – May 2025

- Partner with UST Global hiring managers to identify staffing needs and define job requirements for IT positions.
- Source and screen candidates for Cloud, DevOps, and software engineering roles using LinkedIn Recruiter, Naukri, and internal databases.
- Manage the end-to-end recruitment cycle including interviews, feedback collection, salary negotiation, and onboarding.
- Build strong candidate pipelines for niche skills such as Azure, AWS, Kubernetes, Terraform, and DevOps engineering.

- Ensure compliance with hiring processes and maintain accurate records in the ATS.

### **Sr. IT Recruiter – Exeevo Private Limited (Client: Sanofi)**

Bangalore, India | Oct 2022 – Jul 2023

- Supported recruitment for Sanofi's IT projects, focusing on cloud, DevOps, and application engineering roles.
- Coordinated with hiring managers to create detailed job descriptions and hiring strategies.
- Conducted initial screenings, scheduled interviews, and provided candidate shortlists to project leads.
- Negotiated offers, ensuring competitive compensation while aligning with budget and market trends.
- Improved candidate experience through regular communication and smooth onboarding processes.

### **IT Recruiter – Judge Group India**

Remote | Jun 2021 – Apr 2022

- Worked remotely to fulfill IT hiring needs for U.S.-based clients.
- Specialized in sourcing candidates from U.S. job portals (Dice, Monster, CareerBuilder) and networking platforms.
- Coordinated with account managers and clients to ensure timely submittals and quality of hires.
- Handled recruitment for contract, C2C, W2, and full-time positions across multiple domains.

### **Recruitment Consultant – Aegis Support Services**

Bangalore, India | May 2019 – Feb 2020

- Supported IT staffing requirements for various clients by sourcing and screening candidates.
- Assisted senior recruiters in bulk hiring drives and technical recruitment campaigns.
- Maintained candidate database and updated recruitment trackers for ongoing requirements.
- Built strong professional networks to enhance sourcing strategies.

## **Education**

Bachelor of Engineering (Mechanical), Sree Venkateswara College of Engineering – 2019

Certified in Management Consulting – Growth School
